DECATUR SCHOOL K – 6th GRADE PLEDGE

Each day I will try my hardest
And I won't do any less.

I'll be responsible for all that I do
And I won't accept a mess.

I'll listen very carefully.
My writing will be neat.

And, I simply won't be happy,
Until all my work's complete.

I'll always do my homework
And I'll try on every test.

And I won't forget my promise
To do my very best.

I'll be cooperative and honest.
Yes, RESPECT, this is my quest.

To be a CARING citizen

And make Decatur School the BEST!

WHY? BECAUSE WE ARE...DECATUR!!

DECATUR SCHOOL 7th – 8th GRADE PLEDGE

Each day at Decatur,
I'll follow the rules.
I'll be smart with my decisions
And I'll respect my school.

I'll be honest with everyone
And make sure my work is done.
I'll be responsible and serious,
But still have lots of fun.

I'll respect all students and teachers,
Be neat and make no mess.
And I can surely promise
Every day I'll try my best.

WHY? BECAUSE WE ARE...DECATUR!!

GENERAL SCHOOL SAFETY

The entire Decatur School area tends to get very congested during arrival and dismissal of students to school. We encourage parents to park on some of the side streets a block away from the school and walk their children to and from the schoolyard. We encourage the parents of older students to allow their children to walk to and from school. Please map out a direct route for them avoiding shortcuts through woods, shopping centers, etc.

For the safety of our children, ***please do not double park at any time.*** Please do not block the driveways of the school or neighbors. ***Please do not prompt your children to run across the street unescorted. Please do not park along the curbside of the school.*** The Philadelphia Police will ticket cars. ***Please do not stop in the middle of the street to drop off your child*** as well. This causes major traffic congestion and poses a safety risk for your child, as well as for the other students who are walking to school. ***Decatur students must only cross streets at corners, even when accompanied by an adult.***

Crossing Guards are posted on certain corners, as determined by the Philadelphia Police Department. We ask that parents and students please respect this supervisory role. Students are encouraged to come directly to school and to go directly home after

school once they have been dismissed. This is for their safety. Please plan a direct route with your child and enforce that they avoid wooded areas, shopping centers, short cuts, or detours. We also ask that no children play in the Fitzpatrick Playground adjacent to the school without parental supervision before or after school. This would be considered a detour and since there are no school personnel available to monitor your child in the playground, this puts your child at risk. Parents are asked to please support this policy.

SCHOOLYARD SAFETY

Please leave your pets at home when dropping off or picking up your children. Dogs/pets are not permitted in the schoolyard, near the fences or gates of the schoolyard or along the sidewalks outside the Decatur School. Therefore, it would be best that dogs/pets remain at home.

Parents are not permitted to enter the schoolyard during school hours without reporting to the Main Office and receiving a visitor's pass. All unauthorized visits are considered trespassing. This is to ensure the safety of every student and staff member at the Decatur School.

By order of the School District of Philadelphia, Decatur School will provide a ***Smoke Free*** environment to its students, parents, visitors and employees. No smoking will be tolerated in the building or on school property, including the schoolyard and surrounding sidewalks.

For the safety of our students, please do not discard cigarette butts on the school premises or in the school waste cans (inside and outside). Please refrain from smoking cigarettes, vaping or any form of tobacco in our schoolyard, parking lot, and/or on the sidewalk of the Stephen Decatur School. We also ask that if you agree to chaperone our students on class trips, you refrain from smoking while in their presence.

PARKING LOT AVAILABILITY

In order to ensure the safety of all of our students during admission and dismissal, the parking lot between Decatur School and Fitzpatrick Recreation Center will be closed during the following times: **8:10 to 8:25 for admission and 2:35 to 3:10 for dismissal**. It is at these times when most of our students are walking and need to have access to the sidewalks free of traffic. If you are going to utilize this parking lot, you must make sure that you enter before the lot is closed and be willing to remain until the lot reopens. Please make sure that you inform anyone who picks up your child about this parking lot policy to avoid any conflicts. The parking lot behind the school is for staff only. This lot is off limits except for School District Personnel and Home and School Board Members who must follow the safety protocols established for this area. Anyone using this lot must abide by these rules or they must find parking elsewhere. We ask that our parents do not use this lot to wait in your car for your child at dismissal. We also ask that you do not park in this lot during school hours since there are limited spaces for staff and some are designated.

ARRIVAL

Grades 7 and 8: Adult supervision begins at 7:45 AM. Students are to enter the schoolyard through the gate at the back of the schoolyard near the basketball courts. At 7:55 AM students will enter the Red Annex through the door closest to the basketball courts. First period will begin at 8:00 AM. The door will be closed at this time and all students who are late must enter the building through the door facing the White Annex and get a late slip in Ms. Goetz's Office. Classes begin at 8:00 AM, immediately following the Pledge of Allegiance and Decatur Pledge. After the morning exercises have ended in the schoolyard, students who are late must enter through the front doors of the school to get a late pass from the main office. The office will call the classroom of the student so that they can gain entrance into the red annex.

Grades K through 6: Adult supervision will begin in the yard at 8:00 AM. Siblings of 7th and 8th grade students are to report to the IMC from 7:45 AM – 8:00 AM. They must enter through the rear of the schoolyard near the basketball courts with their sibling. They will join other students in the schoolyard at 8:00 AM. Classes begin at 8:21 AM for students in Grades K – 6, immediately following the Pledge of Allegiance, the Decatur Pledge, and our Daily 7 exercises in the schoolyard. Students should be standing in their line at the first bell (8:16).

DISMISSAL

7th and 8th grade students will be dismissed at 2:39 PM. They will exit from the door closest to their classrooms and leave the schoolyard down the steps next to the gym. Students will be escorted to Academy Road where they are to immediately leave campus. Those 7th and 8th graders who have to pick up siblings in Grades K thru 3 are to report to the classroom of their sibling and will be dismissed with their sibling's class. Siblings of 4th thru 6th grade children are to report to the auditorium. 7th and 8th graders are not permitted to wait outside for siblings or to leave and return for pick up.

If you are picking up your child, please note his/her dismissal procedures.

- All Kindergarten students will be dismissed at 2:50 PM through the Flagpole doors.
- All First Grade students will be dismissed at 2:55 PM through the Flagpole doors.
- Grades 2 through 6 will be dismissed at 3:00 PM.
 - Grades 2 and 3 will dismiss into the schoolyard and exit down the steps next to the gym. They will line up facing the parking lot inside the yellow lines.
 - Grades 4 through 6 will dismiss through the front door. They will be escorted to Academy Road where they will walk north or south on this road. Students will be instructed to cross only at the lights on Academy Road. Please support this policy for your child's safety.

INCLEMENT WEATHER ADMISSION PROCEDURES

On days when inclement weather occurs, a four-bell signal will be rung. Students are to report directly to their assigned seating in the locations listed below. Tables will be labeled in the cafeteria at the beginning of the year and areas will be clearly marked in the gymnasium and auditorium as well.

Gymnasium:	Kindergarten	
Cafeteria:	3 rd Grade	<i>(Parents must exit once their children are seated at their tables.)</i>
	2 nd Grade	
	1 st Grade	
	<i>Parents are not permitted in the cafeteria after the first bell. (8:16)</i>	
Auditorium:	4 th Grade	<i>Students Only</i>
	5 th Grade	<i>Students Only</i>
	6 th Grade	<i>Students Only</i>
Red Annex:	7 th Grade and 8 th Grade (same as regular admission procedure)	

EARLY DISMISSAL

Parents are urged to leave their children in school all day. Doctor or other appointments should be scheduled outside school hours, weekends and on school holidays, whenever possible. If a child needs to be dismissed early, he/she should bring a note to his/her teacher in advance stating time and reason. Teachers can then have the child ready, which minimizes disruptions to the classroom. Parents must sign the child out in the school office and show proper identification. In order for the early dismissal to be excused, students must bring a note the next day from their doctor/dentist/specialist appointment. Early dismissals will not be granted to persons on the emergency contact list without the consent of the parent. There are no exceptions to this rule. (SDP Policy)

We discourage and will not grant early dismissals after 2:30 PM, because this is too distracting as classes are approaching dismissal time. Currently, there are no school trips at this time but if this changes during the school year please adhere to the following:

There are no early dismissals granted after school trips, whether parents are chaperoning or not. Teachers will be conducting follow-up activities for students while the trip is fresh in their minds. Chaperones are welcome to stay for the follow-up activities. Early dismissals on trip days are too disruptive to the office as well as other classrooms since parents often want to take out siblings at the same time. Trip days are instructional days. Failure to adhere to this policy may result in future trips being jeopardized since trips are not mandatory. We really appreciate your cooperation with this.

EMERGENCY SCHOOL CLOSING

When school will be closed due to extreme weather conditions, an announcement will be made over the radio and television stations early in the morning. The announcement will be "All Philadelphia Public Schools are CLOSED." When it is necessary to close school during the school day, radio and television stations will also make announcements. It will be announced as "ALL Philadelphia Public Schools will close at a (Specific Time)." It is imperative that we have your current home information, emergency contact numbers and work numbers on file in the school. It is also important to review with your child the instructions for what to do in the event that you are not home when he/she arrives home from school. Make sure you have indicated on the Emergency Closing Sheet whether your child will be picked up, if they are to walk home or any other special instructions needed.

DELAYED SCHOOL OPENING

Due to inclement weather or other emergencies, it may be necessary to cancel school for the day or have a "delayed opening." If this should occur, parents and caregivers are asked to tune in to the local news, visit The School District of Philadelphia's website at www.philasd.org, or call the District's Parent Hotline a (215) 400-INFO (4636).

In the event of a delayed opening, all schools and early childhood programs will open at 10:00 AM. Dismissal time will remain the same. Yellow bus transportation will run on a 90 minute delayed schedule. All school trips that are scheduled will be canceled. Breakfast, lunch, after school programming, and athletics will not be affected and will function as normal. We strongly encourage you to make arrangements for your child's supervision when schools are closed or delayed and to review these arrangements with your child.

ATTENDANCE

Parents **must submit** an absence note to the school **within three (3) days** of the child's unexcused absence. After 3 days, the School Principal/Designee will make a determination if the note will be accepted. There is no guarantee that the school will accept the note. If the note has been accepted, the teacher will inform the secretary of the correction so that it can be changed in the SIS (Student Information System). At the 3rd unexcused absence the C-31 (Three Day Legal Notice) should be sent to the Parent/Guardian to make them aware that the child has missed 3 days (consecutive/non consecutive) of school. At the 6th unexcused absence the school must utilize the Online Interventions Module (MTSS) and create an attendance plan for the student. The school should also arrange a meeting with the parent/guardian of the child to inquire about the truancy and come up with a plan to help remove any barriers to the student's truancy. (SAIP - Student Attendance Improvement Plan) At the 10th unexcused absence, the Truancy Referral should be submitted to the Office of Attendance & Truancy. Grades K-3 must be submitted on the DHS Referral Sheet, which is available on the office's web site. Grades 4-11th must be submitted on the Family Court Referral Sheet, which is available on the office's web site. Siblings from the same school should be submitted together on the referral sheets. **Please know that family vacations and other family trips are considered unexcused. Unexcused early dismissals and/or late arrivals will prevent students from receiving a perfect attendance award.**

TARDY AND TRUANT STUDENTS

7th and 8th grade students are considered tardy and will receive late slips if they arrive after 8:00 AM in the Red Annex on regular admission and inclement admission days. For Kindergarten through Sixth Grade students, the bell rings at 8:21 AM. Students will be recorded tardy if they arrive after the yard is clear and doors are shut on regular admission days. On inclement admission days, students in Grades K through 6 will be recorded late after the Flagpole doors are closed. In both instances, all late students (Main Building and Red Annex) are to enter through the main doors and will be issued late slips before going to class. All classroom teachers will mark students with late slips "late".

Students who are late or absent, without parental or school consent, will be considered truant. Truancy violates state and local attendance laws and is considered a serious offense. Continued truancy may result in legal action.

VISITORS

All visitors, including parents, must check in at the school office with ID and receive a pass to travel to any part of the school through our ScholarChip Visitor Management System. Parents must also still sign in the Visitor Log. Please do not follow your child to his/her classroom with the line from the schoolyard. Visitors will not be permitted to loiter in or around the school building. Parents are to schedule conferences in advance at times convenient for both teachers and parents. Conferences will be scheduled at such times that they do not interrupt or interfere with a teacher's classes. Students are not permitted to have visitors during the school day. **When leaving the building you must return to the main office to have your visitor pass scanned.** The Trespassing Ordinance, Philadelphia Code of Ordinances, Chapter 10-824, was passed by City Council to prevent unauthorized entry on school premises and will be strictly enforced. Anyone who enters the school or schoolyard without authorization by the Main Office is trespassing. This ordinance is for the protection of your child. Please cooperate and report to the office upon entering Decatur School.

ILLNESS OR INJURY AT SCHOOL

If a student is injured or becomes ill at school, he/she is to ask for permission to visit the school nurse. If necessary, we will contact the student's parent/guardian. All students who are injured or become ill must be signed out in the Main Office before leaving school. If your child is injured at school, we will make him/her comfortable and then call you immediately if a serious injury has occurred. If you cannot be reached, we will attempt to contact the emergency number you provided to your child's teacher. In the event that we need to call 911 for a student, **only** the parents/guardians of the child will be notified. Decatur School must enforce the HIPAA rule, which entitles any patient (child or adult) to the rights to privacy.

ADMINISTERING MEDICATION

Parents must make prior arrangements with the school nurse if a physician determines that a student needs medication while at school. No Decatur School staff member may issue medication to any student. In the event of the nurse's absence, the nurse's designee and/or the principal will follow the schedule for administration of medications and will have access to medications that are stored in the nurse's office for as needed purposes. Some medications require only a registered medical health care provider to administer. The nurse works with the parents of these students to create a plan in the event of her absence. **REMEMBER**, it is necessary that we know where to reach you at all times at home and at work. Keep this information updated throughout the school year. Students should not have medication of any kind in their possession. Please contact the school nurse if you have any questions about prescribed or over the counter medications that your child may need to take during the school day.

GOLDEN LEADER ORGANIZATION

The Decatur School Golden Leader Organization is a club that recognizes respectful, reliable and responsible students in Grades 2-8. Activities are held once a quarter and all students receive a T-shirt. Students will receive recognition on designated GLO Days. The Shared Leadership Action Team will be reviewing applications for student admittance. Classroom teachers give applications to students in Grades 2-8. Students write an essay to submit with their applications explaining how they are a leader or would like to be a leader at the Decatur School. All teachers and staff members with whom your child comes in contact during the school day must sign their applications.

Students may be removed from the clubs, for an activity or entirely, for misbehavior or for not maintaining the established criteria during the school year. Students must adhere to the criteria established by the staff of the Decatur School in order to gain and maintain participation in this club. Criteria consist of good attendance (present daily and on time with no unexcused early dismissals), completion of homework and class work and good behavior. Below is the established criteria agreed upon by the Decatur School Staff:

Golden Leader Organization Membership Criteria

Academics:

- All homework and class work is completed daily
- Student receives A's, B's and C's and works to potential

Attendance:

- No unexcused absences
- Only 1 lateness per month
- Only 1 excused absence occurrence per month (with the exception of extended illnesses)
- Only one excused early dismissal from school per month.

Behavior:

- No suspensions (in or out of school)
 - No fights or disruptive verbal altercations with staff, students, parents, or visitors
 - No instigation between others
 - No instances of cyber-bullying or Facebook "fighting" or abuse.

Uniforms:

- **Must be in uniform everyday, with the exception of official school dress-down days**

Nomination is strictly up to the **homeroom** teacher and then the child needs the approval of all the other staff members/teachers they see to gain entrance. Teachers are expected to review the records of GLO students monthly to ensure they are meeting the criteria for club membership. Failure to do so in any given month will result in exclusion from the next GLO activity.

PLEASE ENCOURAGE YOUR CHILDREN TO WORK TOWARD ADMISSION INTO THIS ESTEEMED CLUB.

WEEKLY COMMUNICATION FOLDER

Every Wednesday students are expected to bring home their Weekly Communication Folders for parents to review. This folder will contain important papers that may need parental attention. The Home and School Association also sends most of their information home in these folders. Other important notices, flyers and forms from the school are also sent home via the folder. We urge parents to look for this folder weekly and to address all items in it. By limiting the communication to once a week we hope that this allows parents the time to review their child's folder and not be inundated with daily communications. Make sure you have removed all items after you have reviewed them and only return the ones that are required. Please know that you may send correspondence to your child's teacher on any day and you do not have to wait for Wednesdays to use the folder. The school uses the Weekly Communication Folder to streamline the amount of material being sent home to parents.

CELL PHONES

School District of Philadelphia Code of Student Conduct policy states that if a student displays or uses a cell phone/iPod in school, it will be confiscated and returned only to the parent or guardian of the student.

Decatur School has a three-strike policy for cell phones. Students who violate this rule for the first time will have their phones confiscated. They will be given a warning and the phone will be returned at the end of the school day. However, upon a second violation, the school will confiscate the device and it will only be returned to a parent/guardian. No exceptions.

If the student has a third offense, the student will no longer be permitted to have his/her cell phone during the school day. Upon arrival at school and every day afterward, the student will be required to turn the cell phone into the secretary in the Main Office. Students in Grades 4 thru 8 will turn their phones into the teacher at the beginning of the day to be secured until phones are returned at dismissal.

MONEY/EXPENSIVE ITEMS/CONTRABAND

Please do not allow your child to bring large sums of money or expensive items to school. If we find that your child has an excessive amount of money, it will be taken and parents will be notified so that they can retrieve it.

Personal electronic equipment (IPads, game systems, etc.) and other electronic items/toys are not allowed in school. We cannot be responsible for the loss of those items. Your children are not to bring dangerous or distracting articles to school, such as cap guns, knives, scissors, rock picks, toys, radios, jewelry, articles of clothing, etc. Please check your children's book bag regularly to make sure that there is no contraband of any kind in there.

LOST AND FOUND

Children's names should be sewn or written onto items of clothing that may be easily lost. Lunch boxes, books, book bags, boots, sneakers, outer clothing, etc. should be labeled. The Lost and Found is located in the rear of the cafeteria. Please encourage your children to check the Lost and Found in the lunchroom for lost items. Parents may check the lost and found as well after checking in at the Main Office to obtain a visitor's pass. Items lost and not retrieved will be bagged up and taken to good will in January and June.

CHEWING GUM, CANDY AND SNACKS

Students are not allowed to chew gum at any location in school. Students who bring their lunches from home may have candy or snacks as a part of their lunch. Students will not be allowed to sell or trade snacks, gum, candy, or drinks at school. Parents are encouraged to choose healthy snacks for their child to bring to school. The Home and School Association will sell snacks at special events and activities or on SNACK FRIDAYS throughout the school year.

SCHOOL VOLUNTEERS - (Restricted now due to Covid Restrictions but if things change during the school year:)

If you are interested in becoming a school volunteer, please call 215-400-3050. Your interest and involvement are always appreciated. In order to be a volunteer, you must have your clearances (Criminal Background Check, Child Abuse Clearance and FBI Clearance if you have not lived in the state of Pennsylvania for 10 years. If you have lived in Pennsylvania then sign the Volunteer Affirmation Form. You must also sign the Volunteer Code of Conduct and print your Volunteer Orientation Certificate in order to complete your packet). Only individuals with complete packets will be permitted to volunteer.

EVACUATION DRILLS

Evacuation drills are necessary for the safety of the students and staff. Everyone should know the specific directions for reaching a point of safety from those areas of the building in which he or she may be. Specific information for all drills is posted in each classroom and/or area. Evacuation drills are conducted at a minimum monthly or as needed.

LEADER IN ME

Decatur School is a LEADER IN ME School striving to become a Lighthouse School. Staff and students have received training in LAUNCHING LEADERSHIP, CREATING CULTURE, ALIGNING ACADEMICS and EMPOWERING STUDENTS. Our school learned about the LEADER IN ME processes and learned ways to build leadership skills in each adult and student in the school. Our school also learned a practical approach involving everyone in shared leadership, responsibility, beautifying the school environment and creating a clear vision/mission for our school. We are in our FIFTH year of LEADER IN ME. The focus will continue to be on setting goals aligned to our school improvement plan and measuring progress AND empowering students to take charge of their own learning. The ultimate goal is to increase our students' ownership for their learning and to be leaders of their own lives. Our school is learning, practicing and integrating Steven Covey's 7 Habits. They are: Be Proactive, Begin with the End in

Mind, Put First Things First, Think Win-Win every time. Seek First to Understand then to Be Understood, Synergize with your Friends and Sharpen the Saw so that you can be the best you. We are very excited about this transformational process and look forward to teaching our parents/families so that they can take this journey with us as we transform our school and ourselves. This year we will be implementing PBIS at the Decatur School to help us.

PBIS

PBIS is a decision-making framework for school systems to implement in order to improve student academic and behavioral outcomes by *using universal language and expectations*, consistent behavioral teaching practices, *consistent behavioral response guidelines*, and *data* to guide procedural and policy decisions.

Research suggests that by having consistent expectations across the school, explicitly teaching behavioral expectations, acknowledging expected behaviors, and handling behavioral violations consistently, the school environment can be positively impacted. PBIS is not a curriculum or a single intervention – *it is a change in the school system's climate*.

STEPHEN DECATUR DECREES

The Stephen Decatur Decrees are school-wide expectations/rules that we explicitly teach, practice, and reinforce.

They are universal for the entire Stephen Decatur community.

Students will be taught how to be respectful, responsible and safe at all times in all settings at the Decatur School. Teachers will ensure that students know and understand these expectations/rules and that they are enforced and practiced by every student and adult in the school.

The above expectations have been developed into lessons that adults will teach through modeling and practice to ensure that every student knows and understands what these expectations look like and sound like in each setting. Every student and adult at the Decatur School will take nothing for granted, which is why each expectation is clear, concise and sustainable. Good leaders will show exemplary behaviors in all settings. Our PBIS program is our "how" we will grow leaders to take ownership of their school. Our Leader in Me Process is our "way" to grow leaders by helping them to use the seven habits to develop them into the best version of themselves. PBIS and LEADER IN ME complement each other in such a way that there is every opportunity for our students to believe, lead and succeed. #BelieveLeadSucceed

Students are responsible for all textbooks and library books issued to them during the school year. Money will be collected for damaged books.

CLASS TRIPS/FIELD TRIPS/NEIGHBORHOOD WALKS - If Covid Restrictions are lifted please adhere to below:

The School District of Philadelphia (SDP) recognizes that class trips, field trips, and neighborhood walks are an educationally sound and important ingredient in the instructional program of the school. Field trips can supplement and enrich classroom procedures by providing learning experiences in an environment outside of school. All class/field trips and neighborhood walks have educational value and are geared to extend the instructional program. They are an integral part of an approved course of study and are conducted for the purpose of affording a firsthand educational experience not available in the classroom.

Trips are taken between October and June. For reasons of security and curriculum, students not enrolled in the class participating, i.e., siblings and/or children of chaperones may not attend. The nurse makes arrangements for students' medications for the time students are away from the school.

In order for parents to chaperone, you must have a complete Volunteer Packet. *Information on how to obtain these is on the School District of Philadelphia website.

No child will be excluded from a field trip without the Principal's permission.

Parents/guardians must provide written permission allowing their children to participate in classroom trips and neighborhood walks. Adequate supervision is needed – 1 adult per 10 students – so please consider attending one or more of your child's trips.

IMPORTANT: If you are a chaperone on a trip, please do not remove your children for early dismissal when the class returns to the school. Trips are not mandatory and failure to comply with this policy could result in the cancellation of future trips for your child's class. Trip days are instructional days. Teachers plan important follow-up instructional activities that your child needs to attend. The field trip and the follow-up lesson make the learning relevant to the student, thus culminating the lesson.

The parents, students, and staff of Stephen Decatur partnered together to develop this school-parent compact for achievement. Teachers suggested home learning strategies, parents added input about the types of support they needed, and students told us what would help them learn. Parents are encouraged to attend annual revision meetings held in the Fall and Spring each year to review the compact and make suggestions based on student needs and school improvement goals. This year, the parent input meeting was held virtually on April 27, 2021. Parents are also encouraged to participate in the School Family Engagement survey that is also used as a tool to collect parent feedback regarding the current Title I programs, policies and family engagement.
